

# Minibeast matching

Can you match the minibeasts? Draw a line to match the pairs.

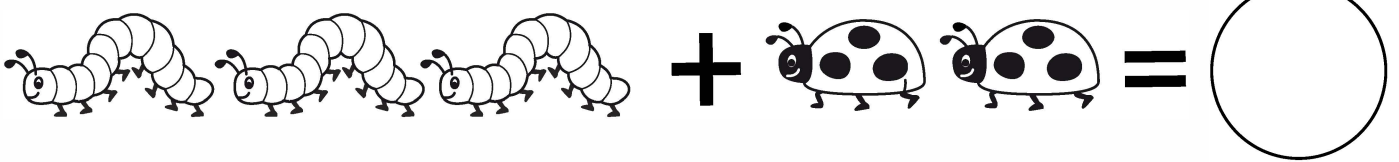

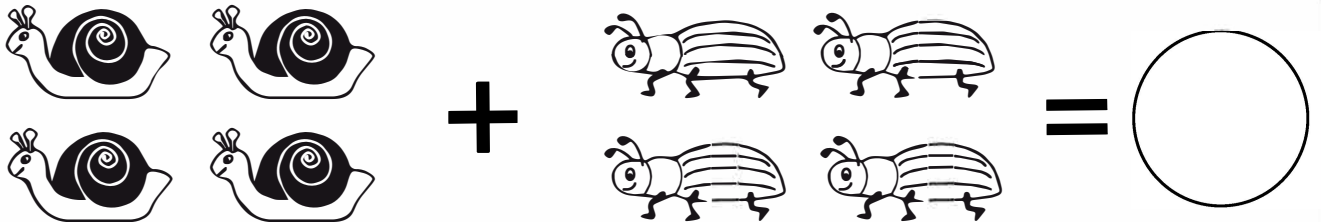

2 bees + 2 spiders =

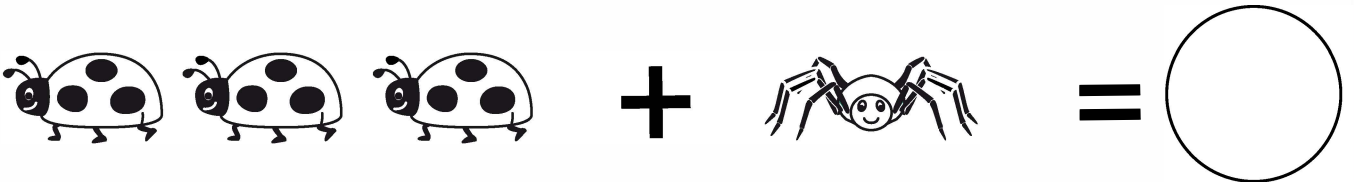

1 butterfly + 3 snails =

3 caterpillars + 2 ladybugs =

4 snails + 4 beetles =

3 ladybugs + 1 spider =

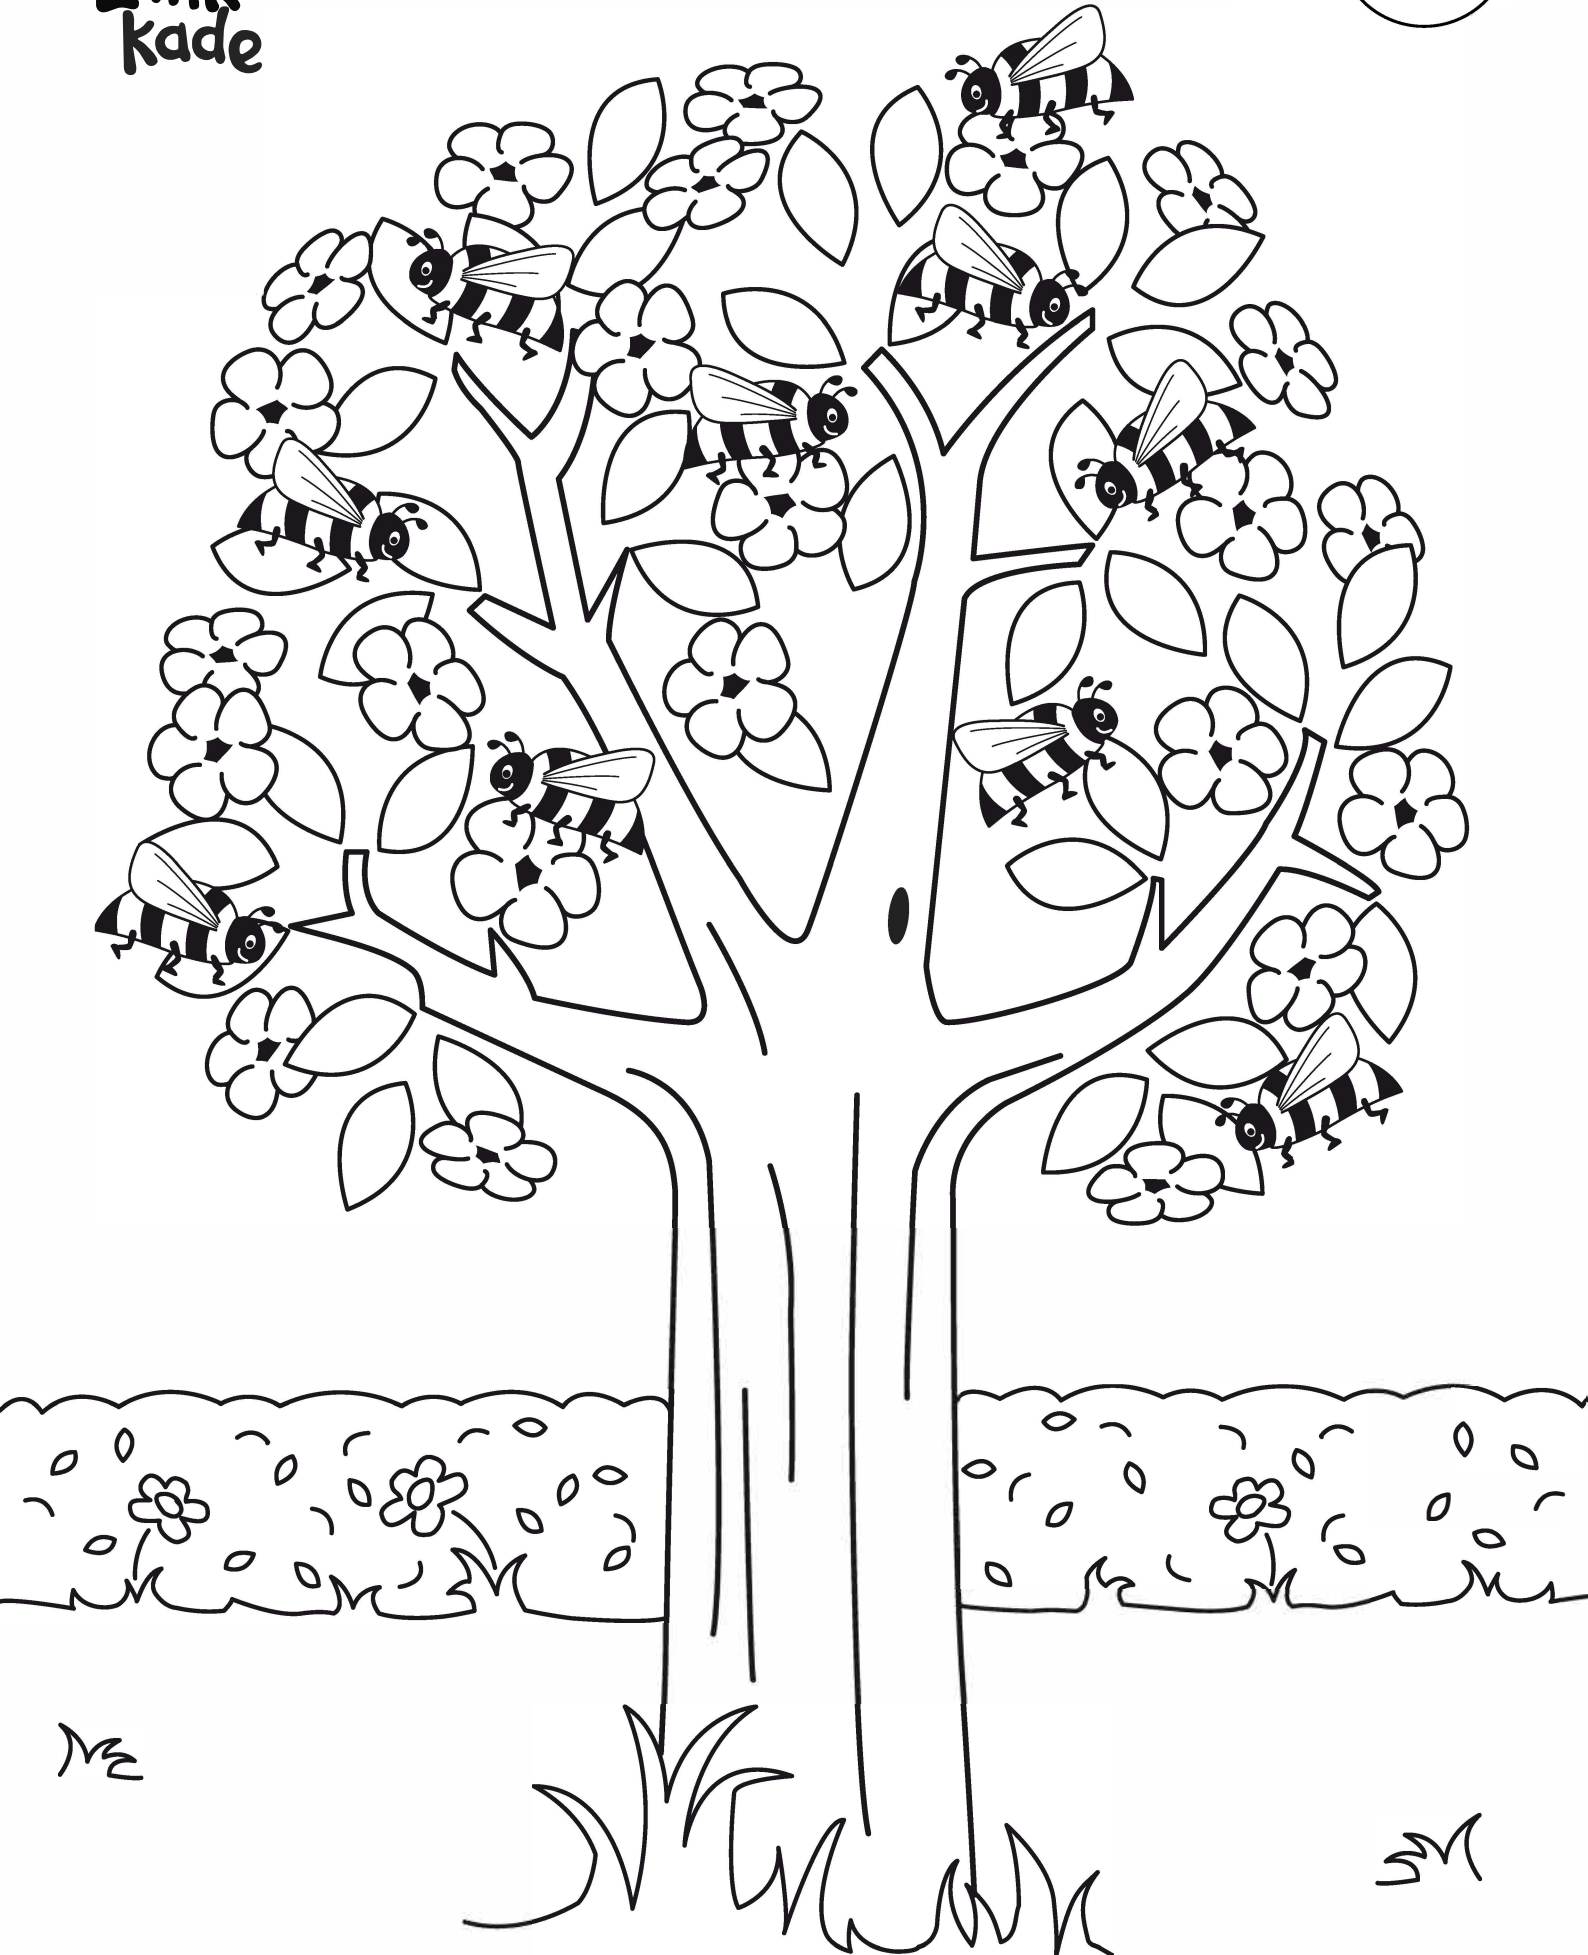

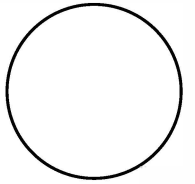

2 butterflies + 4 bees =

# Minibeast colour and count

How many bees are in the tree?

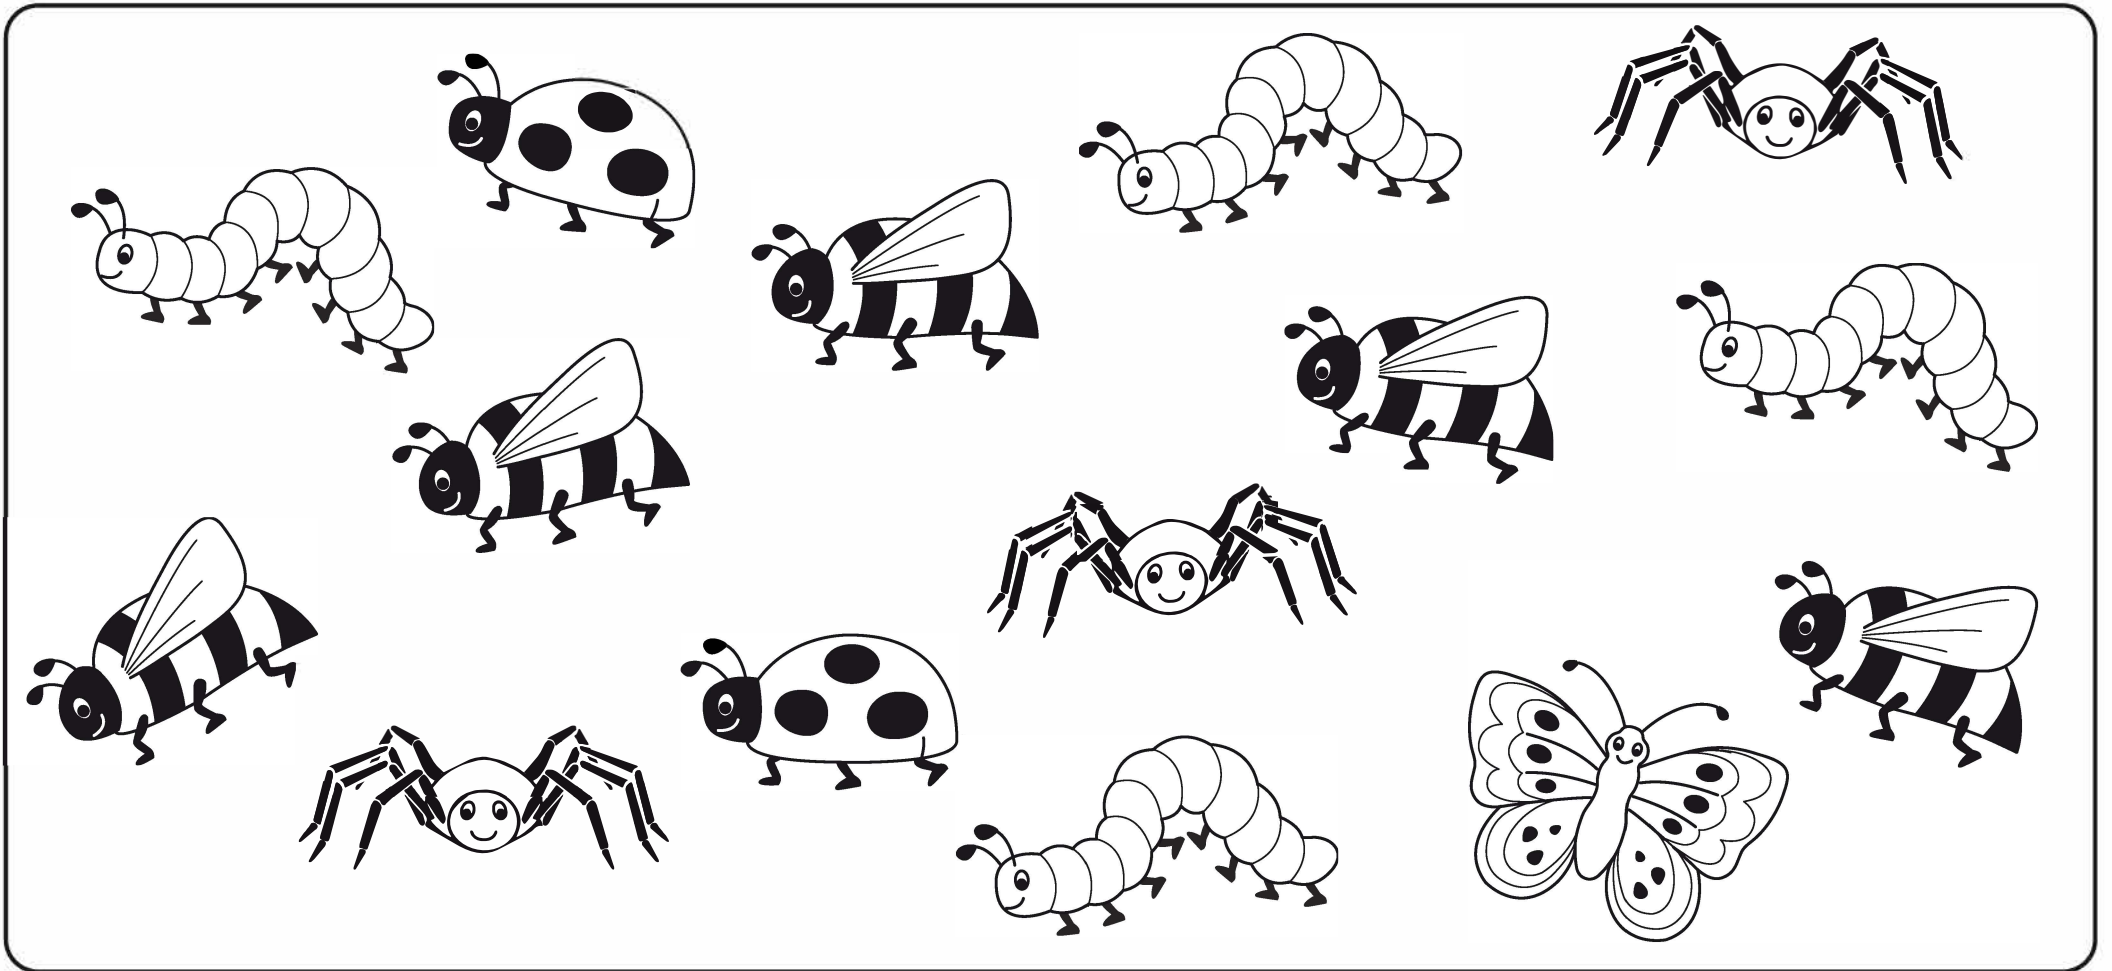

ME

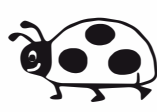

SM

# Minibeast count to 5

How many of each minibeast can you count in the box? Write the number in the circle at the bottom.
